

Materialization of the implicit contract n° _____

Between :

Ms./M. _____
(hereafter referred to as Partner 1)

Ms./M. _____
(hereafter referred to as Partner A)

The following contract succeeds to a ___ days period (trial period) of an erotic/love/friend-relationship before choosing its terms.

Founding Principals

This contract is based on the following founding principals:

- **Equity:** the parties of the contract are equal in rights and importance. Time, work, body of each party has the same value.
- **Goodwill:** in any situation, each party will care not to attack his partner and hurt its self-esteem. The parties will support themselves in their projects and aims.
- **Communication:** each partner will take care in clarify its discourse to be understood, and not expect the other to read his/her mind. A poorly transmitted message is not valid. In case of doubt, an acknowledgement of receipt will be requested.
- **Independence:** each self is independent and autonomous. In any case will it be considered that one partner is owned by the other one. That implies the respect of the intimacy and of the private space of the partner.

But of course everything is negotiable. If the founding principals are to be modified, please detail the new terms in the Standard Model Appendix 2013-1-A-EN.
